

Nicola von Leffern
Director

Nicola von Leffern is a director from Hamburg, living in Vienna. She studied at the Film Academy Vienna and the Universidad de Bellas Artes Salamanca, Spain. Her work focuses on female empowerment, state of the art short films, music videos, commercials and documentaries. Her films premiered at various festivals and attracted worldwide attention. She moves in the space of dreamy authenticity, explores characters in the most intimate way and brings attention to untold stories. All in contrast to the artificial sensuality that is commonly known from advertising.
