

Clemens Baumeister

Clemens was born in Münster, Germany in 1983. 2 Semester studies of architecture at the University of Braunschweig were followed by 4 semesters of studying art at the University of applied science in Hannover. Already at that time Clemens started working as a lighting and first camera assistant for various production companies such as Ziegler Film, Sony Picture Film and WDR. By then he decided to enroll at the renowned Filmakademie Baden-Württemberg in Ludwigsburg.

During his studies Clemens already worked as a DoP in commercials. He graduated in 2011 and worked since then continuously for respected clients like Adidas, T-Mobile and Audi.

Clemens is married and has two kids. He is living with his family in Berlin.
