Florian Banicki

Florian Banicki is a Bavarian Kiddo with polish origins. Working on analog photography in his own darkroom since he is 15 years old, it's no wonder he ended up in the visual department.

After some years as grip assistant and crane operator on big productions like Cloud Atlas, Hitman or Bridge of Spies, he started simultaneously working as cinematographer on his first commercials.

Since 2015 he is a freelance DoP working for commercials, documentaries and feature film. His first feature film „Year of the tiger“ (Dir: Tor Iben) premiered 2018 in the national cinemas.
