Tim Bieker

"We see light in a very different way. Interesting reflections, shapes and directions of light can be seen everywhere. To understand and take this into creating unique images is probably the best thing about being a cinematographer"

Driven by relatable, touching and emotional ideas that go beyond the expected, Tim cherishes the creative process from start to finish and cultivates a humble approach to filmmaking. He strives to capture authentic and beautiful imagery for films that have strong storytelling or convey a special feeling for the viewer.

Tim worked on projects for Adidas, Nike, Gore-Tex, Christ, MCM, Zalando, Vodafone, Telekom and more. Besides commercial projects he is also available for musicvideos, documentaries, social spots and features.
