Management for
Directors + Directors of Photography

Jan Stollberg

Hi there!

My name is Jan and I work as a director and dop. Filmmaking is most likely the best thing that ever happened in my life - I've travelled the world and met a few of my childhood heroes throughout this exciting journey.

It all started with skateboard films and my Dad's MINI-DV-Camera in my teenage years. This approach is still my visual DNA - I always trust in my gut feeling and the power of teamwork.

I strive for highly aesthetic yet relatable moments that feel spontaneous, real and convey a positive feeling for a broad audience.
