Cedric Schanze

Cedric Schanze, director of photography and filmmaker based in Berlin.

He has always pursued a career as a cinematographer since he was attending school. If you have a look to Schanze's work you soon see why filmmaking is a demanding lifestyle and needs dedication and persistence. Cedric's work seems adventurous, sporty and thrilling, as he worked for famous brands like Adidas, Audi, BMW, Mercedes Benz, Montblanc, Porsche, just to name a few.

He works in beautiful and unconventional places that is what it makes his work so intriguing. Up in the mountains, into water with a mask and a scuba tank, in the waterfall in the North of Iceland, his work is both physical and artistic challenge and it gives us the right extreme sporting lifestyle inspiration.

Cedric says about himself:

I create to feel, to learn, to share and to connect. I believe in the power of personal projects.

I trust in emotions and friendship.

And I am constantly searching for new ideas, projects and collaborations.
