

**Lutz Hattenhauer**  
**Director**

**Lutz Hattenhauer is a director and cinematographer. Lutz started his career in a quite traditional way: A strong interest in photography brought him to the camera department for feature films and commercial film sets.**

**After a few years, he turned to documentary films and shot projects around the world. Followed by television comedy formats, short films and music promos for some well-known acts like Britney Spears and Die Ärzte.**

**Today he works mainly as a director or director / DoP in the field of commercials. He lives with his wife and two sons in Hamburg, Germany.**
